June 10, 2018

Summer is a wonderful time to be a kid. However many in our community rely on school provided meals during the school year. Without these meals many students go hungry during the summer.

Join us on June 10th at **Impact CW** where we will be collecting and packing boxes of food for school families in need to help kick off their summer. This year, we hope to be helping about 200 families. There are many ways you can be involved!

- Donate Food on day of or before event
 - *Approximately \$59, or less, for a full box – Suggested list on back*
- Help sort and package Food Boxes at the Park/Event
- Assist with Free Community BBQ (or just enjoy the BBQ)
- Help deliver Food Boxes to CW Schools on Monday
- Give a financial gift (to pre-purchase some food)
 - "Go Fund Me" (www.gofundme.com/impact-cw)
 - or checks made out to St. Matthew Lutheran Church

On Sunday, June 10th, we will meet at the Parker's Landing Historical Park at the Camas-Washougal Port

- **11 am – 2 pm - Gather food donations and Pack Boxes**
